

Welcoming Children and Families with the Quaker Activity Pages

Many meetings offer literature about the Quaker way for adults, but how do we welcome and share our faith with our youngest visitors?

The *Quaker Activity Pages for Children* consist of three sets of coloring pages, word search puzzles, criss-cross puzzles, and mazes that can introduce Quaker themes to young visitors, be used during meeting for worship or in First Day/Sunday School lessons, or be taken home.

The activity pages correspond to the Newcomers Cards: *Quaker Testimonies*, *Quakers and Prayer*, and *You Are Welcome Here!*
