2016 GATHERING AT A GLANCE

Limiting Fragrances at the Gathering
We ask all attenders not to use scented products (colognes, perfume, after-shave) and, if possible, to use only unscented soap, deodorant, shampoo, lotion, sunscreen, etc., so that people who are made ill by toiletries with fragrances and harmful chemicals will be able to enjoy the Gathering. The Gathering has provided fragrance free soap in some public bathrooms, bar soap for your dorm bathroom, and detergent throughout campus. Fragrance Free toiletries are also available in the Gathering Store.

General Information
Tips on Enjoying Your Neighbors: Dorm life is a great opportunity to meet new people during the day. But in the evenings, conversations in hallways and in dorm rooms need to be hushed because we all have very different sleep schedules. Feeling social? Take your conversation to a dorm lounge or another building.

Access Needs: Need assistance getting your specific needs met? Stop by the Access Needs Table or contact Access Needs Coordinator Peg Bernstein (206-754-1994) and Dave Green (914-282-5238), or Food Coordinator Suzanne Cole (text at 215-300-1652).

Golf cart transportation is primarily for Friends with any condition that makes it difficult to get around campus. Such Friends are encouraged to pick up Priority Rider Cards at the Access Resources table or at Golf Cart Central in the Convocation Lobby. Friends without priority cards are welcome to ride on a space-available basis, but may be bumped. Riders from unusual locations may be requested by phone or advance reservation. Also, call if priority riders are stacking up near you.
