Dear Parents and Children of Acorns Group,

I am looking forward to seeing you all at the YAY Gathering at Radford University in just a couple of weeks. Our group will be small with lots of space for individual attention. Our goal is to make this a wonderful experience and introduction to FGC for each child.

Acorns will meet during the morning and afternoon program time. Each morning will start with a walk from the dining hall to our program space. Program time will be spent reading and playing. We expect to spend time outside where we’ll have the opportunity for water play, and to investigate nature. Indoor time will be spent playing, reading story books, creating, worshipping and napping as needed.

A simple non-perishable snack will be provided during the morning (Cheerios, goldfish, etc.) along with water. You are more than welcome to supplement this with things that your child may need (formula, breast milk, juice, fruit etc.). If your child has food allergies please plan to provide safe snacks for them.

Please let me know what will help your child be comfortable. It would also be helpful to know what your child enjoys whether it’s watching bugs or coloring.

As you pack your bags, please use the list on the next page to make sure you bring the items needed to provide care for your child.

Please join us at our Open House on Wednesday, July 6th at 4:30pm in our program space in Muse. This will give you and your child a chance to see the space we’ll be in and to meet the staff, and an opportunity for the staff to meet you and your child.

If you have questions please feel free to reach out to me at mkriendeau@yahoo.com or 508-816-5191.
